E99 - Plant-wide Pollutant Emissions Summary and Certification

This plant-wide pollutant emissions summary report is your company's official record for overall plant emissions. It may be used as the basis for the determination of your annual permit fees. This emissions summary should report the total actual emissions for the applicable emission year. Each pollutant that is emitted from your plant should be reported on this form. If a specific pollutant does not apply to your plant, then enter "NA" in the middle column ("Description, Comments") and enter "0" or "NA" in the last column ("Total Emissions").

The values reported in this form (E99) must agree with the values reported for the individual emission processes/points identified in copies of Form E90.

Plant ID: Enter the plant ID assigned to this plant by the Louisville Metro Air Pollution Control District. This is a number between 1 and 2000.

Company Name: Enter the name of the company to which the operating permit is issued.

Plant Location: Enter the physical address, including the zip code, of the main entrance to the plant. **NAICS:** Enter the six digit North American Industry Classification System (NAICS) code for the main business of this plant. If this is not known, then enter the older Standard Industrial Classification (SIC) code in the SIC box. SIC can be omitted if NAICS is entered.

Technical Contact Person: Enter the name of the appropriate technical contact person for this submittal. This is the person the APCD engineer reviewing the submittal will contact if additional information or explanation is needed. Please enter the technical contact person's job title, e-mail address and telephone number in the boxes as labeled.

Responsible Official: Enter the name of the appropriate responsible official for this submittal. This person will certify the submittal, pursuant to LMAPCD Regulation 2.16, Section 3.5.11. "Responsible official" is defined in LMAPCD Regulation 2.16, Section 1.36. Please enter the responsible official's job title, e-mail address and telephone number in the boxes as labeled. The responsible official must sign and date the completed form.
